SUCCESSFUL CONDUCTION OF OPEN POOL CAMPUS DRIVE AT MAYA GROUP OF COLLEGES_

Maya Group of Colleges successfully conducted open pool campus drive on 20.02.2016. Two days of this placement drive, more than Ten different college students had participated. Campus like IMSI, I. Process, Market Magnify, Sahara P.C Smart, Mahindra Finance, Infogix, Axis Bank, Policy Bazar and many more companies recruited candidates and offered jobs to the students. After the selection we can easily see the confidence as well as the excitement of the students. Recruited by the company, before the completion of their degree courses students were very much relaxed and satisfied. At last 117 students has got selected in different streams in two days of this placement drive. After the successful completion of open pool campus drive, college chairman Sri M.L Juyal Congratulated the selected candidates. Vice Chairman Ashish Semwal , M.D Tripti Semwal, Secretary Saurav Juyal, Director Engineering Prof (Dr.) Parul Goyal and Director Administration Prof (Dr.) Amit Bhatt were present in the programme.

Completion of one day Workshop at Maya Group Of Colleges

On dated 23/02/2016 Maya Group Of College has organized a Workshop on Unix Operating System. Director of Scholars I-tech, Nishant Praveen has introduced basic commands of Unix Operating System and he also explained to the students that UNIX has concept such as Users, Groups, Permissions and Network-Shared Resources (such as files, printers and other computer systems.) built in the core of its design, which makes Unix Operating System uniquely flexible and powerful operating system. Unix operating system are relatively simple and should be understood to take good advantage of the operating system. Students has also done the practical work on basic command of Unix Operating System, where we had seen the interest of students comparatively more than the other operating systems like Windows XP, VISTA and Windows8.

College vice-chairman Ashish Semwal, MD Tripti Semwal, Chairman Sri M.L Juyal and Secretary Saurav Juyal , Director DR. Parul Goyal and Director Administration Amit Bhatt were present in the Workshop
